MEDICAL RESPITE & RECUPERATIVE CARE

**Rest.
Recover.
Reconnect.**

Dignified post-acute recuperative care in a 6-bed sanctuary. Bridging the critical gap between hospital discharge and permanent wellness.

LICENSED 6-BED FACILITY

NORTHRIDGE, CA • IJLHOMES.COM

4 Pillars of Care

Clinical Stabilization

24/7 OVERSIGHT

Continuous health monitoring under RN direction and Medical Director governance to prevent readmissions.

- Daily multi-point vital signs tracking
- Physician-ordered wound care dressing changes
- Medication administration assistance
- Coordination of home health for IV antibiotics

Restorative Living

MICRO-COMMUNITY

A calm, non-institutional sanctuary with private & semi-private rooms and ADA accessibility.

- 6 licensed recovery beds (1:3 daytime ratio)
- Pressure-relief memory-foam mattresses
- Zero-barrier ADA roll-in showers
- Tranquil outdoor healing garden

Case Management

CALAIM ECM ALIGNED

Intensive housing navigation and social determinants of health stabilization for permanent independence.

- Vital document recovery (ID, SSN)
- Public benefits optimization (SSI, Medi-Cal)
- CES matching for Permanent Supportive Housing
- 90-day post-discharge wellness checks

Trauma-Informed

DIGNITY FIRST

A compassionate, judgment-free environment supporting mental health stabilization and dignity-centered recovery.

- Medication-Assisted Treatment (MAT) continuation
- Daily peer wellness circles & mindfulness
- Linkage to outpatient psychiatric services
- Harm reduction framework

Our Mission

IJL Homes provides comprehensive medical respite for individuals who no longer require inpatient hospitalization but need a safe, stable environment to heal.

Our Sanctuary

Private Suites

Hospital-grade electric beds, privacy drapery, smart TV, and bedside nurse call pendants.

Clinical Suite

HIPAA-compliant exam room for telehealth, vital tracking, and secure medication storage.

Healing Garden

Therapeutic outdoor courtyard with accessible walking paths and sensory plants.
